

IT'S IN THE BAG!

This vocabulary activity allows the students to make sense out of the words they want to learn and use more effectively in their writing, speaking and reading. The 4.5 x 12 inch strips fit inside the standard “lunch bag” (5.25 x 11 inches). Several lunch bags can be attached by using the metal rings or staples. Just the word shows from the top of the bag.

Vocabulary Word	Visual Context:	Synonyms:	Definition:
